

Wade provides after-school and summer camp programs to over 100 children in the Greater Bluefield Community at no cost to them.

We appreciate donations of any kind including monetary and the gift of time. To learn more about volunteering, please contact us or visit us online at [wadecenter.com](http://wadecenter.com).

The Wade Center has an operating budget of approximately **\$600,000** per year. This money benefits at-risk children and children in the Bluefield Community through educational programming, life skills training, sports instruction, extra-curricular experiences, nutritious meals and more. Of that budget:

- **38%** goes toward program expenses such as educational curriculum, athletic equipment, computers, field trips, books and more.
- **36%** goes toward salaries. We employ certified educators, a full kitchen staff, mentors and administrative personnel.
- **12%** is earmarked for food expenses. We provide our children a snack after school as well as a fully nutritional USDA-approved dinner.
- **10%** is used for building maintenance and utilities.
- **4%** goes toward fundraising and advertising expenses.

Investing in the future of our community

Since its doors first opened in 2005, the Wade Center served hundreds of children and teens. Wade does far more than keep these young people off the streets and in a **safe, nurturing environment**. We've been fighting for the next generation to have the chance to truly succeed in life. And we're winning!

You can see it in **improved grades** and reduced behavioral problems at school. You can hear about it when our students tell you about their **plans for college**, career and family. And you can feel it everytime a child discovers his or her **creativity and passion** for the first time.

As we celebrate our fifth birthday, we hope you'll partner with us to make many more years of service to our community possible! Donors at the following levels will be recognized on a **Donor Wall** that will be placed outside our Welcome Center in the main building of the Wade Center. Our children will walk by this wall everyday and see how much the Bluefield community cares for them and their future.

- **Visionary** - \$10,000 and up
- **Honored Humanitarian** - \$5,000
- **Benefactor** - \$2,500
- **Fellow** - \$1,000
- **Circle of Friends** - \$500

An investment in the next generation always pays the best dividends!
